

Signatures of Doolhof Malbec 2009

**A rich, deep voluptuous Malbec from the
Cape Winelands.**

Tasting Notes:

This deep purple wine offers a myriad flavours on the nose. Violets, black cherries and prunes intermingle with spices and undertones of sage and rosemary. These flavours are carried forward on the palate to produce a well-integrated complex, rich wine

Winemaker's Notes:

The grapes were harvested at 23.5° Balling from a west-facing block with well drained soil, high up on the slopes of the Palmietberg. They were harvested by hand with grape sorting thereafter. Cold soaking was done for 48 hours to extract colour. Fermentation lasted for seven days. Three pump-overs were done per day. Extended skin contact improved wine quality, adding richness and depth. The wine was matured in premium 50% new 225l and 50% second fill French oak barrels for 14 months. After filtration the wine was bottled in November 2010.
